Three Latinas are forced to take an unexpected road trip from Albuquerque to Denver. Making their way north on I-25, they don't travel for business or for pleasure. They just need to transport a dead body across state lines. But, then again, what are sisters for?

Speeding past the familiar locales of Bernalillo, Santa Fe, Huerfano, Colorado Springs, and Castle Rock, they reflect on shared family history and muse about the lives their daughters might live. On this seemingly endless stretch of highway, their bickering, laughter, singing, and discoveries will fundamentally change – and strengthen – their relationship.

Based on a true story, *Rubicon* tracks the career of one of history's most effective spies.

Starting in the years leading up to World War II, the plot follows Elizabeth "Betty" Pack as she transitions from society wife and mother to steely, seductive agent for British and American Intelligence. As missions take her from Madrid to Warsaw to Washington, Betty uses her charm, beauty, and intellect as tools of espionage, leveraging her sexuality to influence global affairs.

Overflowing with intrigue and wit, *Rubicon* is an engaging portrait of an unsung heroine and the sacrifices she makes to change the course of the war. It addresses the stigma attached to choosing professional determination and personal agency over traditional gender expectations. It's a work that's suspenseful, alluring, and surprising all at once.

An audience favorite at the 2022 Colorado New Play Summit, DCPA Theatre Company is proud to present the world premiere of *Rubicon*!

## THE COLORADO NEW PLAY SUMMIT

<https://www.denvercenter.org/tickets-events/colorado-new-play-summit/>

“Arguably local theater’s premiere event” – *The Denver Post*

**Our stories start with you...** Watching a play spring to life on stage might make you believe in magic. But before a story can sweep you off into another world, it takes a whole lot of humanity to make it possible. After coaxing an idea into a script, playwrights can rely on the expertise of dramaturgs, directors, and other writers to guide them through the editing process. But nothing compares to presenting a piece to a live audience, where the real-time reactions of a crowd elevate words into something more.

**At the Colorado New Play Summit, it's your time to shine as you meet some of theatre's most promising writers while helping them fine-tune their work.** Listen to play readings by fabulous actors, give your feedback on where you think the story should go, and enjoy two fully produced Theatre Company productions: the world premieres of *Cebollas* and *Rubicon*, both of which were featured readings at the 2022 Summit.

**The inspiration doesn't stop with the plays.** Get to know the featured playwrights, directors, actors, and other creatives over delicious meals and at special events like the Summit Wrap Party. It's your chance to meet the brightest minds in the craft and play an integral role in the future of Colorado theatre.
